

What is GitHub for?

The image features a large, black silhouette of the GitHub Octocat logo, which is a stylized cat with eight legs. The Octocat is centered on the page. Inside the white space of the Octocat's body, there is text in a sans-serif font. The text is multi-colored: 'GitHub' is blue, 'is an' is light blue, 'essential' is green, 'tool for' is green, 'software' is yellow, and 'engineers' is orange.

GitHub is an essential
tool for software
engineers

The history of github
